

Transcending borders,
connecting the entire world.

triunfocomex.com.br

Who we are

Triunfo Comex is a 100% Brazilian company with extensive experience in both domestic and international markets. Specializing in foreign trade and tax advisory services, we operate as a "one-stop source," providing all the necessary solutions for export and import operations in one place.

Our goal is to optimize our clients' international trade operations by enhancing logistics, reducing costs through high operational performance, and implementing tax and fiscal adjustments, ensuring greater efficiency and competitiveness.

Customs Advisory and Customs Clearance

- Comprehensive consultancy from the commercial phase to custom clearance.
- Cost planning and personalized follow-up.
- Evaluation of bonded warehouses locations.

Logistics and International Freight Consulting

- Comprehensive coordination with top-tier partners: origin collection, international freight, and domestic logistics.
- Cost reduction analysis, customized storage rate tables, and tailored solutions.

Express shipments

- Exclusive plans offering up to 80% savings on Export and Import shipments, including formal shipments and Courier services.
- Document issuance, collection scheduling, and complete management of express shipments.

Logistics Consultancy

- Route Planning and Optimization.
- Cargo Control and Monitoring.
- Support with Documentation and Regulations.

Tax and Fiscal Incentives Consultancy

- Specialized Analysis of Special Customs
- Reduction and Exemption of Taxes, such as ICMS, with Support from Multidisciplinary Teams.

Creation of Product Catalogs for DUIMP (Single Import Declaration).

- Detailing and Standardization of Information.
- Integration with the Brazilian Single Foreign Trade Portal Systems.
